<p>PLANT-IN-A-BAG SOLUTION The EAZY-GROW BAG with Super Soil was created by growers, for growers. This high-quality grow media is packed with 18 premium ingredients and is designed for fast growing, heavy feeding plants. Simply Earth™ Super Soil is bio-inoculated with mycorrhizal fungi and beneficial microbes that boost your plants' performance. The ideal air-to-water ratio promotes massive root growth and enables sufficient drainage.</p>	BULK		Perlite		<input type="checkbox"/>	\$ _____
